

CARA BAHAMAS 2010 CONFERENCE for investors and traders

January 15 to 20 | Our Lucaya Resort | Freeport, Grand Bahama

VISION • INTEGRITY • PERFORMANCE

"Our Cara Bahamas 2010 Conference program provides information and teaching sessions for all skill levels, from novice to very experienced. New for 2010 are focused break-out sessions culminating in live, realtime coaching when the markets re-open on the Tuesday and Wednesday after the long weekend. I sincerely look forward to seeing new faces and greeting old friends next January. I expect that I will again discover there is still much to learn."

– Bill Cara, President and
Head Trader, CTA

A unique mix of personal development and fun

CARA BAHAMAS 2010 CONFERENCE for investors and traders will be held at the luxurious [Our Lucaya Beach & Golf Resort](#). Our Lucaya is one of the finest Caribbean resorts, yet as part of our group you will find it surprisingly affordable. This is a unique, tax-deductible opportunity to learn more about CTA and the techniques of effective trading, and for investors to gain a closer look at the inner workings of the markets.

Vadym Graifer – highly acclaimed for his teaching at our 2009 conference – will provide a wide range of training sessions. You will also learn new trading skills from other key players on the CTA team – including some who were unable to attend last year plus new team members who bring further depth to the conference program. As well, some CTA clients will be there to see first-hand how CTA produces profit in their accounts and exceeds their expectations.

It's a chance to network with like-minded people from around the world while you enjoy the beautiful Bahamas. Memorable social events will again be a key part of the program, including informal evenings with some conference participants who will share their musical and acting talents. There is something for everyone to enjoy at Our Lucaya so bring your family and friends for a winter break in the sun.

The conference, planned around the long weekend of Martin Luther King Day, will run from Friday, January 15 to Wednesday, January 20, 2010. You can attend some or all of the conference and pay only for the days you attend. We estimate cost at USD\$175/day, or \$900 for all six days. The fees include lunches, tea and coffee, some subsidized entertainment, and offset part of the cost of presenting the conference.

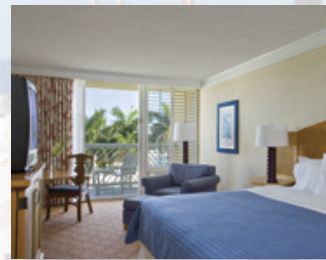

Full program details are being developed, so please email PatCara@CaraTrading.com now and contribute your ideas and interests.

Come to learn. Come to enjoy.

Remarkable value at a luxury oceanside resort

Our Lucaya Beach & Golf Resort is located on the island of Grand Bahama, where both the weather and the people are warm and welcoming. Explore, fish, sail, golf, dive or just take in the natural beauty.
